ANNEX 1

INTERNATIONAL LABOUR CONFERENCE

105th SESSION (30 May - 10 June 2016)

EMPLOYERS' GROUP

MEMBERSHIP OF COMMITTEES

Only the accredited Employer delegate should fill out the form to request membership of the various committees of the Conference and return to actemp-conf@ilo.org by **29 May latest**. If this deadline is missed, your employer delegation will not be registered for the work in committees on Monday 30 May.

Please tick either the Titular **OR** Deputy box and add the names of the employer member(s) of the delegation who will be following the work of each committee in the separate boxes provided for each Committee.

Both Titular and Deputy Members participate in the same way in the work of the committees, influencing the employer group position in the debates and voting when a show of hands vote. Titular membership however, means a commitment that a member will be at the committee for **EVERY** session (including night and weekend sessions). Therefore please do not request Titular membership of a committee if that commitment cannot be given. In addition, as committees meet simultaneously, a small delegation of one or two persons should not request Titular membership of all committees.

Please note that Committee membership as indicated in the form will only be effective once:

- The ILO has received official credentials of the country delegation from the Government (deadline is Monday 9 May 2016).
- The request is endorsed by the Employers' Group.
- The initial composition of Committees is endorsed by the Conference.

There are three committees which do not appear on the form: the Finance committee of Government representatives and the two committees of limited membership whose composition is decided on by the Conference on proposals from the Employers' group: the Selection Committee and the Credentials Committee.
