

Decision on the 14th item on the agenda: Reports of the Officers of the Governing Body

Third report: Representation alleging non-observance by Qatar of the Discrimination (Employment and Occupation) Convention, 1958 (No. 111), made under article 24 of the ILO Constitution by the International Trade Union Confederation and the International Transport Workers' Federation

On the recommendation of its Officers, the Governing Body decided that the representation was receivable and set up a tripartite committee to examine it.
