

Decision on the sixth item on the agenda: The post-2015 sustainable development agenda: Update

The Governing Body:

(a) recommended the tripartite constituents, and requested the Director-General, to strengthen work on the post-2015 sustainable development framework under the six-point strategy agreed upon at the 319th Session (October 2013) of the Governing Body; and

(b) requested to review progress on this matter regularly.
