

Decision on the fifth item on the agenda: The standards initiative: Follow-up to the 2012 ILC Committee on the Application of Standards

The Governing Body decided that the cost of the package of measures proposed by the Director-General estimated to cost up to US\$684,300 that could not be financed from extra-budgetary contributions, be financed in the first instance from savings in Part I of the budget for 2014–15 or, failing that, through Part II, on the understanding that should this subsequently prove impossible, the Director-General would propose alternative methods of financing.
