

## **Decision on the second item on the agenda: Area of critical importance: Creating and extending social protection floors**

The Governing Body requested the Director-General to take account of its guidance in implementing the strategy for the area of critical importance on “Creating and extending social protection floors”, especially in the light of the Social Protection Floors Recommendation, 2012 (No. 202); the strategy for action as a follow-up to the resolution concerning efforts to make social protection floors a national reality worldwide, endorsed by the Governing Body at its 316th Session (November 2012); the Social Security Plan of Action 2011–19 adopted by the Governing Body at its 312th Session (November 2011); and the Conclusions of the recurrent discussion on social protection (social security) adopted by the International Labour Conference at its 100th Session (2011).
