Scale of assessments of contributions to the budget for 2016

The Governing Body decided, in accordance with the established practice of harmonizing the rates of assessment of ILO member States with their rates of assessment in the United Nations, to base the ILO scale of assessment for 2016 on the UN scale for 2013–15, and accordingly proposed to the Conference the adoption of the draft scale of assessment for 2016 as set out in the appendix to GB.323/PFA/5, subject to such adjustments as might be necessary following any further change in the membership of the Organization before the Conference was called upon to adopt the recommended scale.
