

Decision on the fourth item on the agenda: Area of critical importance: Strengthening workplace compliance through labour inspection

The Governing Body requested the Director-General to take account of its guidance in further implementing the strategy for the ACI on “Strengthening workplace compliance through labour inspection” and in the implementation of outcome 7 of the Programme and Budget for 2016–17 on “Promoting workplace compliance through labour inspection”.

(Document GB.325/POL/4, paragraph 32.)
