

Decision on the seventh item on the agenda: The ILO's global flagship programmes

The Governing Body took note of the objectives and characteristics of the five flagship programmes presented in document GB.325/POL/7 and requested the Office:

- (a) to report on their implementation through the Programme implementation report;
- (b) to take into consideration the guidance provided by the Governing Body and to establish a tripartite advisory committee for each flagship programme at both the global and national levels.

(Document GB.325/POL/7, paragraph 34, as amended by the Governing Body.)
