

Decision on the second item on the agenda: Indigenous peoples' rights for inclusive and sustainable development

The Governing Body:

(a) advised the Office on how to modify, improve or complement the strategy for ILO action concerning indigenous and tribal peoples;

(b) requested the Director-General to take into consideration the strategy and the guidance given in the discussion in the implementation of the Programme and Budget for 2016–17, in preparing the next strategic plan and future programme and budget proposals, and in facilitating extra-budgetary resources.
