

Decision on the tenth item on the agenda: Complaint concerning non-observance by Qatar of the Forced Labour Convention, 1930 (No. 29), and the Labour Inspection Convention, 1947 (No. 81), made by delegates to the 103rd Session (2014) of the International Labour Conference under article 26 of the ILO Constitution

Financial implications

The Governing Body decided that the cost, estimated at US\$25,550, of the high-level visit to Qatar that it had decided to arrange, be financed from savings that might arise under Part I of the budget or, failing that, through the use of the provision for unforeseen expenditure, Part II. Should this subsequently prove impossible, the Director-General would propose alternative methods of financing at a later stage in the biennium.
