

Decision on the eighth item on the agenda: Complaint concerning non-observance by Guatemala of the Freedom of Association and Protection of the Right to Organise Convention, 1948 (No. 87), made by delegates to the 101st Session (2012) of the International Labour Conference under article 26 of the ILO Constitution

Financial implications

The Governing Body decided that the cost of the extension of the duration of the Special Representative of the Director-General of the ILO's presence in Guatemala, estimated at US\$882,000, be financed from savings that might arise under Part I of the budget or, failing that, through the use of the provision for unforeseen expenditure, Part II. Should this subsequently prove impossible, the Director-General would propose alternative methods of financing at a later stage in the biennium.
