

Decision on the second item on the agenda: Agenda of the International Labour Conference

Financial arrangements for a Meeting of Experts on Violence against women and men in the world of work

The Governing Body decided that the cost of the Meeting of Experts on Violence against women and men in the world of work, estimated at US\$327,000, be financed, in the first instance, from savings in Part I of the budget or, failing that, through Part II, on the understanding that, should this subsequently prove impossible, the Director-General would propose alternative methods of financing at a later stage in the biennium.
