

Decision on the 12th item on the agenda: 377th Report of the Committee on Freedom of Association

Financial implications

The Governing Body approved the proposals for reform made by the Committee on Freedom of Association in document GB.326/INS/12(Add.) and further decided that the cost of the reform, which was estimated at a total of US\$99,850, be financed in the first instance from savings that might arise under Part I of the budget or, failing that, through the use of the provision for unforeseen expenditure, Part II. Should this subsequently prove impossible, the Director-General would propose alternative methods of financing at a later stage in the biennium.
