

Decision on the third item on the agenda: Questions arising out of the 105th Session of the International Labour Conference requiring immediate attention

The Governing Body requested the Director-General to submit to its 328th Session (October–November 2016) detailed proposals relating to the modalities of recurrent discussions, as outlined in subparagraph 15.2 of the *resolution on advancing social justice through decent work*, with a view to better meeting their objectives and to ensure a prompt transition from the current cycle of recurrent discussions to the next cycle. These proposals would be submitted under the item already included on the agenda for the 328th Session: Follow-up to the outcome of the evaluation of the impact of the ILO Declaration on Social Justice for a Fair Globalization, 2008.
