List of hotels for delegates

All delegates are required to make their own accommodation arrangements. If they wish to benefit from the favourable conditions negotiated by the ILO with the hotels listed below, they should reserve their hotel rooms as far in advance as possible. Preferential rates are available until the dates indicated in the list.

All hotel rooms will be assigned on a first-come first-served basis. Under normal circumstances, availability of rooms is guaranteed until 18 September 2017. Please use the online booking links given below to book hotels. Prices refer to the price per room per night in euros, including breakfast, but excluding value added tax at 8 per cent.

Transportation will be provided between the designated hotels and the Meeting venue. Advice on airport transfers can be found in the [Information note](#) (Arrival in Istanbul).
