The “**ILO Events App**” is now available for the Governing Body!

- ✚ If you have given your email address when submitting your credentials you should have received a welcome email inviting you to connect to the App. If not, please check at the registration desk that your email has been correctly given.
- ✚ If you have already used the App during previous ILO events, the username is your personal e-mail address used at that time. If you do not remember your password, click on “Reset Password” and you will receive an e-mail, at this address
- ✚ You can download the “ILO Events App” either by:
 - ✓ following the link in the email received,
 - ✓ scanning this **QR code**
 - ✓ or downloading it from one of the stores (App store or Google Play).

- ✚ Open the App on your device, enter your email address, tick the acceptance box and click on “**Submit**”

- ✚ You can enter the password provided in the welcome email or click on “**Reset Password**”. You will then receive an email inviting you to change your password.

- ✚ You are now logged in the App!
