If you don't have iOS or Android, please contact relmeetings@ilo.org

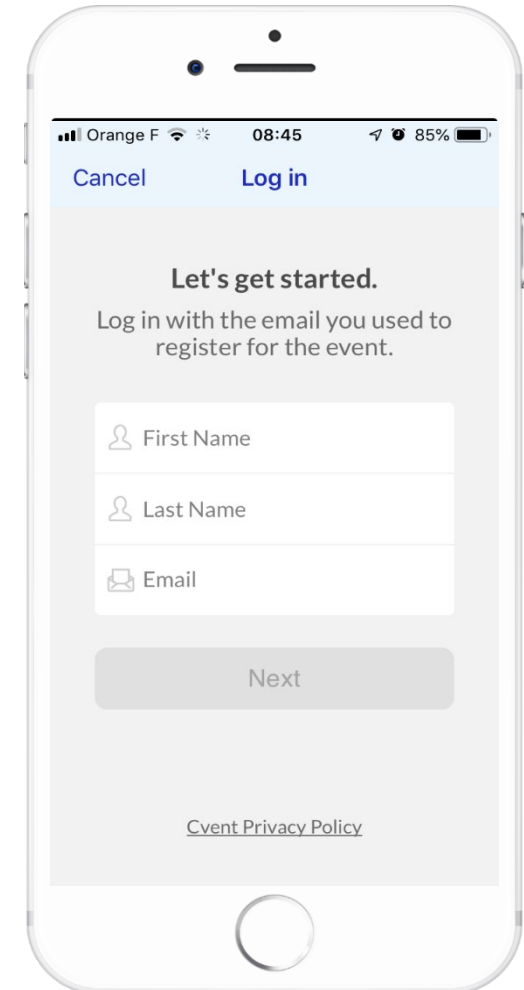

Log in the App

Step 2: Log in and Verify Your Account

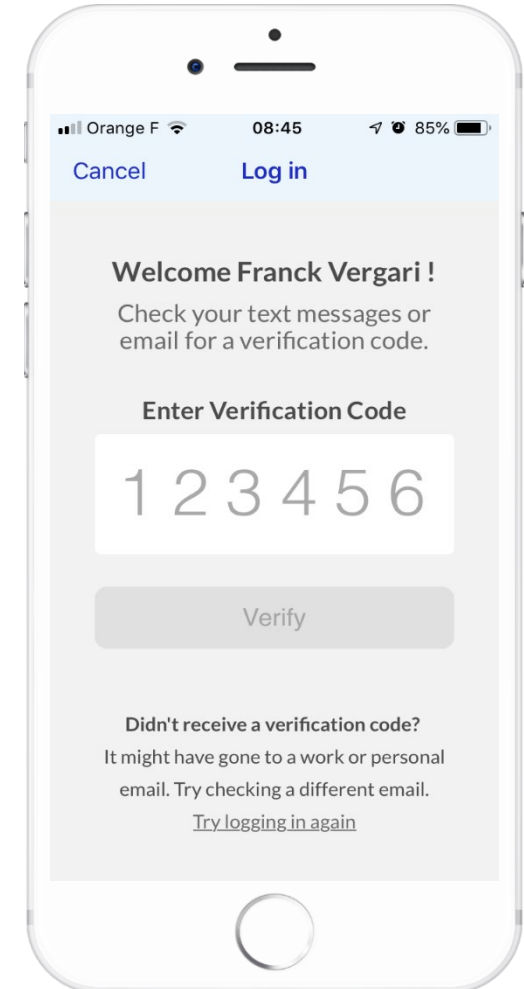

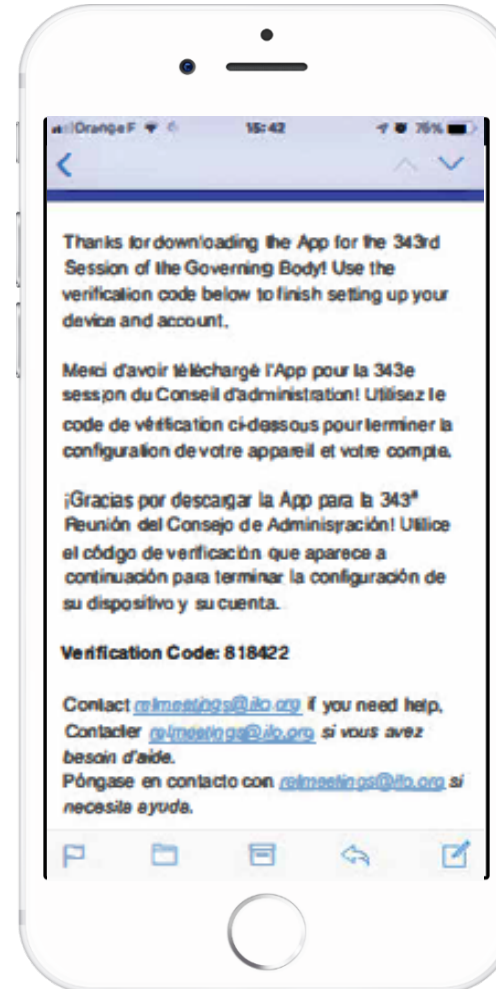

Log into the App. Enter your first name, last name and email address and click on "next".

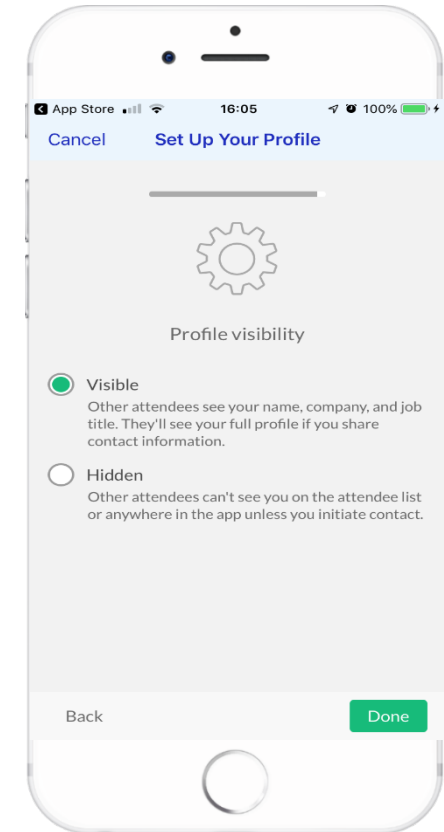

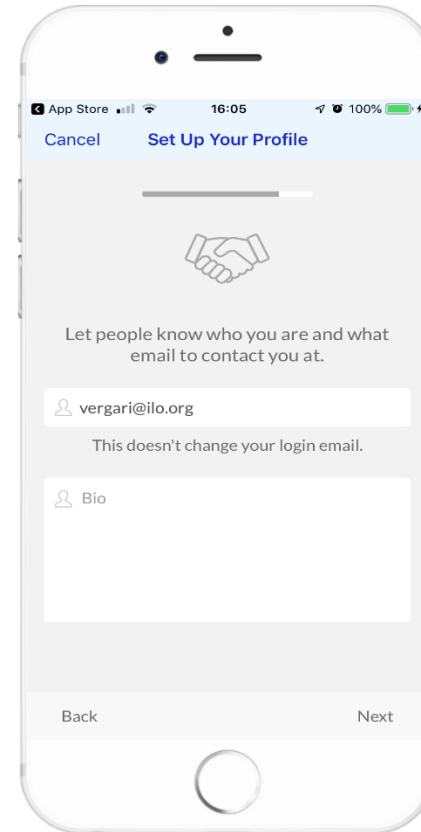

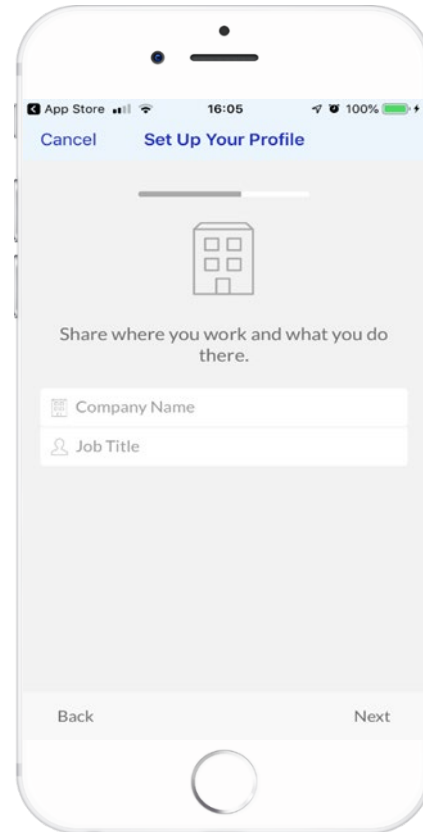

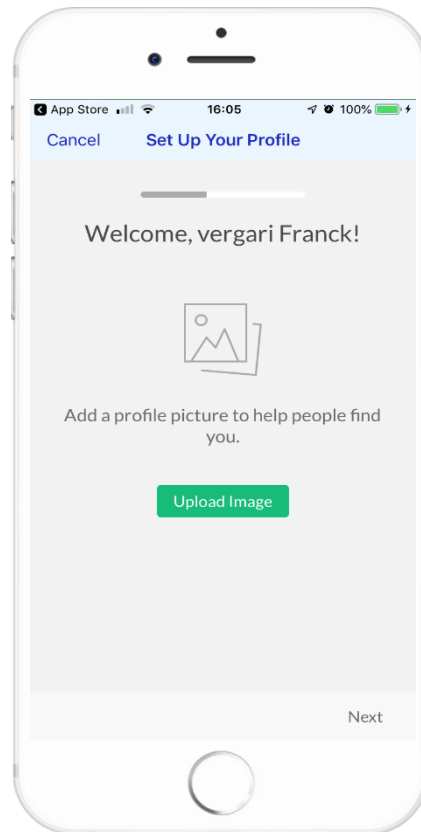

Verify your code

- A email with a verification code will be sent to your email address.
- Enter the verification code and click on “Verify” to finish setting up your device and account.

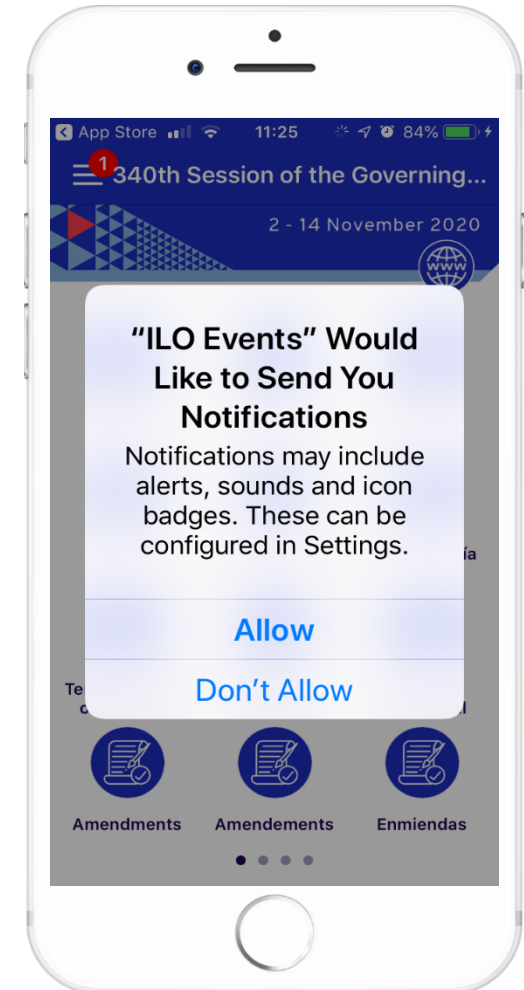

Set up your profile

Notifications

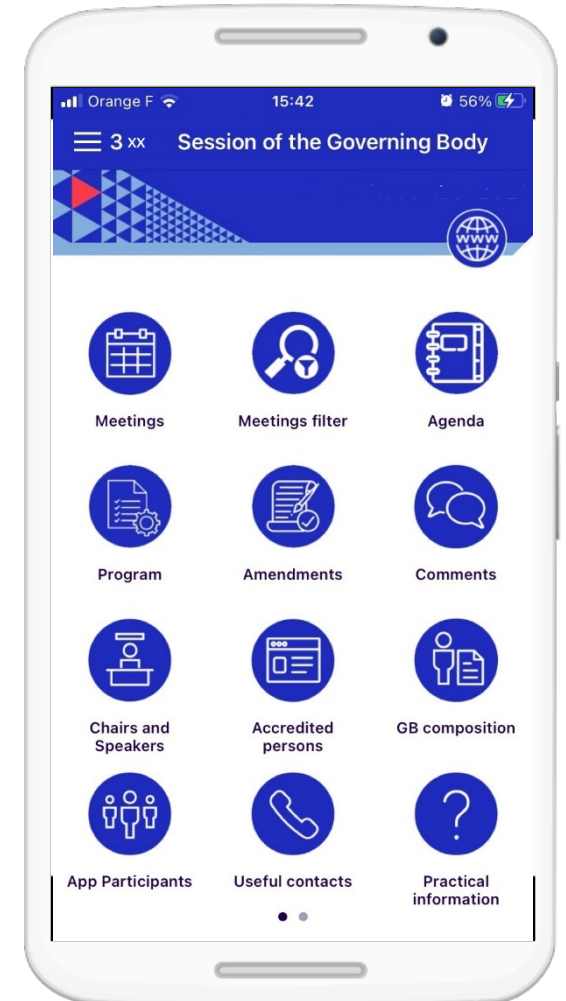

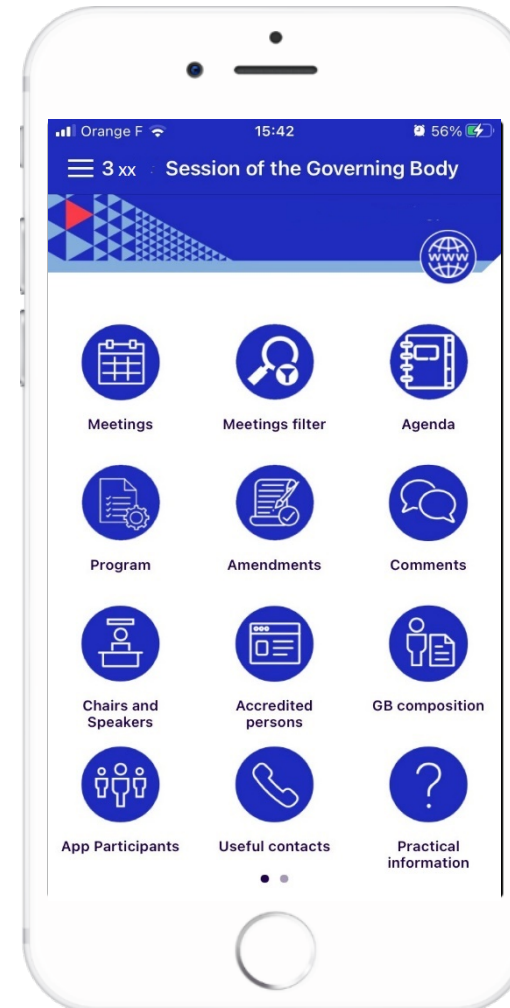

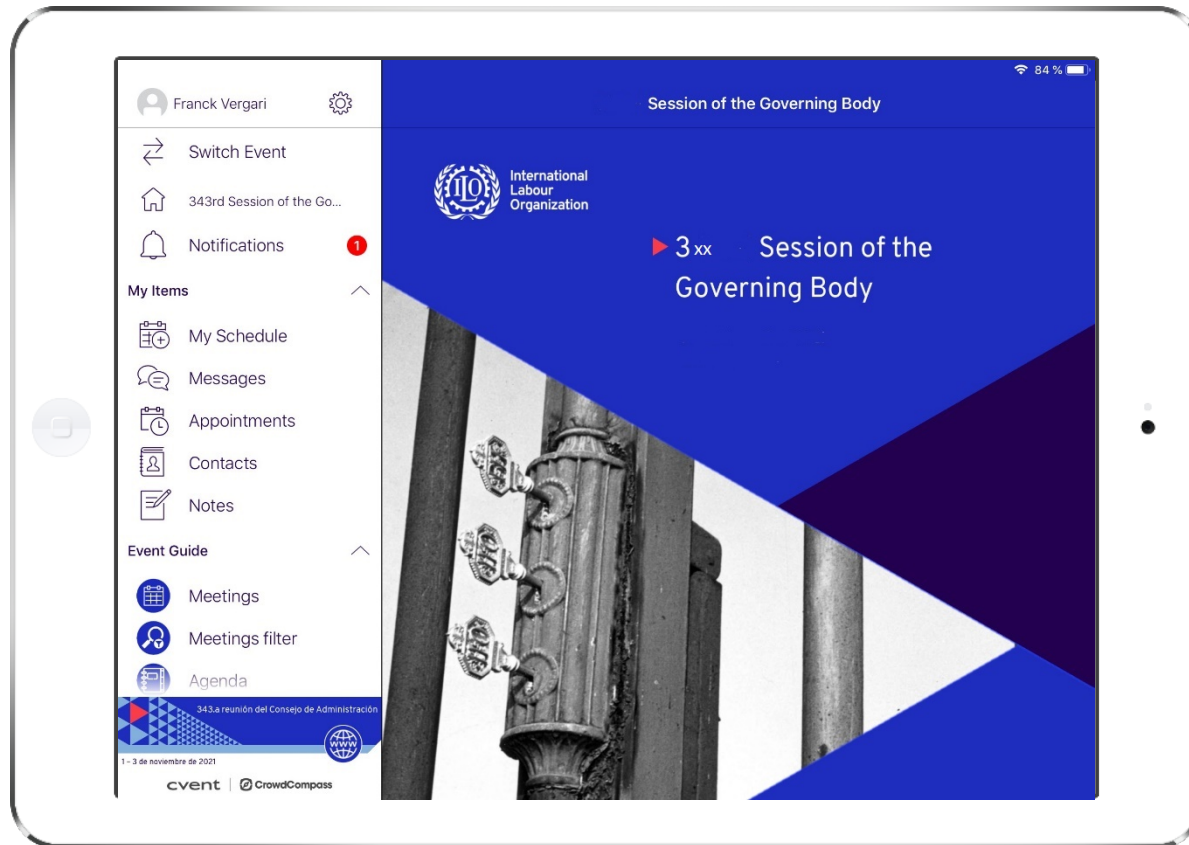

- Please allow this feature to get the notifications and updates.

The ILO Events App on all your devices

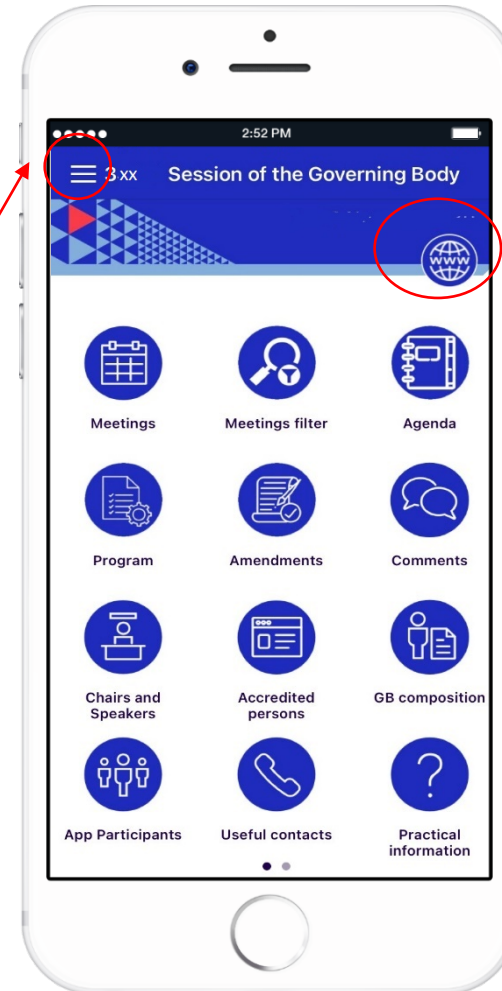

You will have access to the App once you are accredited.

Home page

- The Home page is a “navigation icon” setting.
- Navigation icons speak for themselves and allow you to easily find information with the tap of a button. They’ll be your primary means of accessing content in the app and will highlight the most important content.
- Click on the 3 bars at the top left to access the menu.

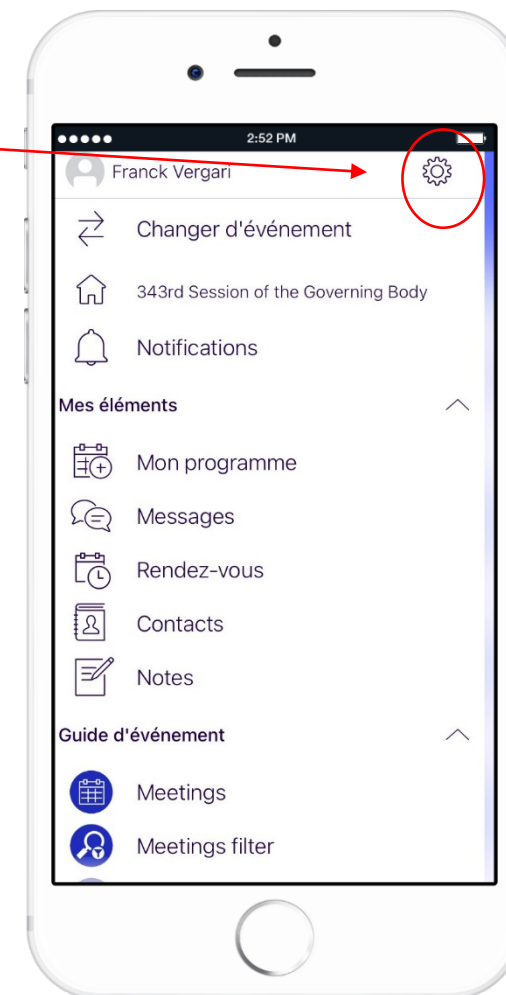

Access to GB Web

Main Menu

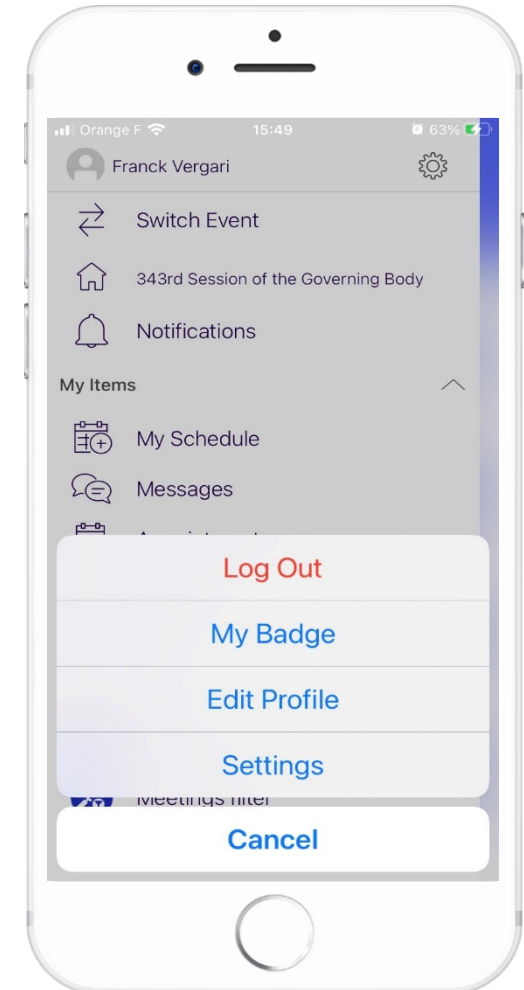

- Click on the wheel to edit your profile if you wish to modify or add information about yourself.
- You can also access your notifications on that screen.

Profile settings

- Click on Edit profile to update or change your profile settings.
- Always click on “346th Session of the GB” to come back to the Event.

Profile settings

- Visible profile is the default setting.
- The only information other participants see about yourself is your name, title, company, bio and picture.
- You can switch to hidden profile but other participants will not be able to chat with you.
- Scroll down to update your profile.

A screenshot of a mobile application's 'Edit Profile' screen. The status bar at the top shows 'Orange F', signal strength, time '16:13', and battery '96%'. The screen has a blue header with 'Cancel', 'Edit Profile', and 'Done' buttons. Below the header, a text block explains: 'Hidden profiles require contact share approval to be seen. Visible profiles only display name, title, company, bio, and picture unless contact information is shared.' A toggle switch is shown with 'Hidden' on the left and 'Visible' on the right; the switch is currently turned to 'Visible'. Below this is a section titled 'Profile information' containing three input fields: 'First Name *' with the value 'Franck', 'Last Name *' with the value 'Vergari', and 'Suffix' which is empty. The phone's home button is visible at the bottom.
