Failure to submit instruments to the competent authorities

The Government has provided the following written information.

The permanent delegation of the Republic of Yemen to the United Nations and other international organisations in Geneva conveys its compliments to the International Labour Organisation (ILO) and has the honour to advise the ILO that under the current circumstances in Yemen, the country could not submit the required instruments. We are also pleased to advise the ILO that the Ministry of Social Affairs and Labour will initiate dialogue among the tripartite constituents to discuss the required instruments, which will be referred to the Council of Ministers as soon as possible for submission.
