

The new ILO Events App for the 111th Session of the International Labour Conference

Available on:

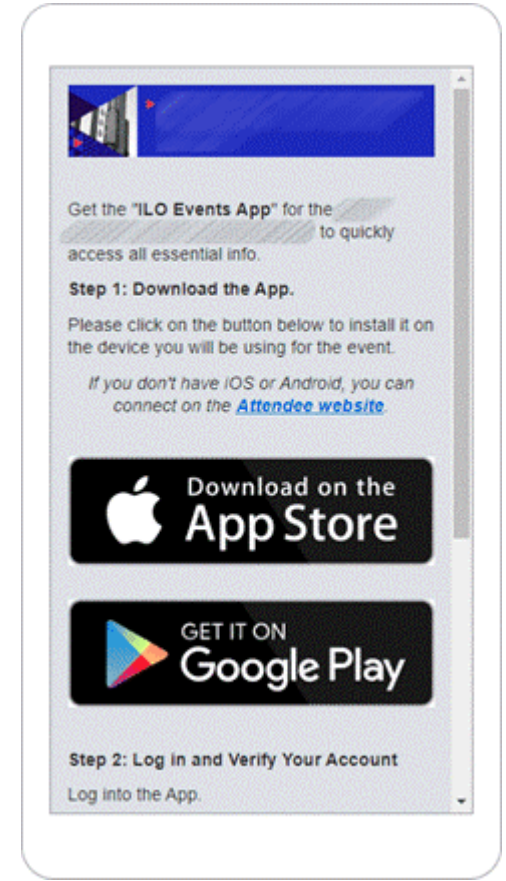

Download the App

You will receive an email guiding you in order to download and log in the App.

Step 1: Download the App.

Please click on the button below to install it on the device you will be using for the event.

If you don't have iOS or Android, you can connect on the [Attendee website](#)

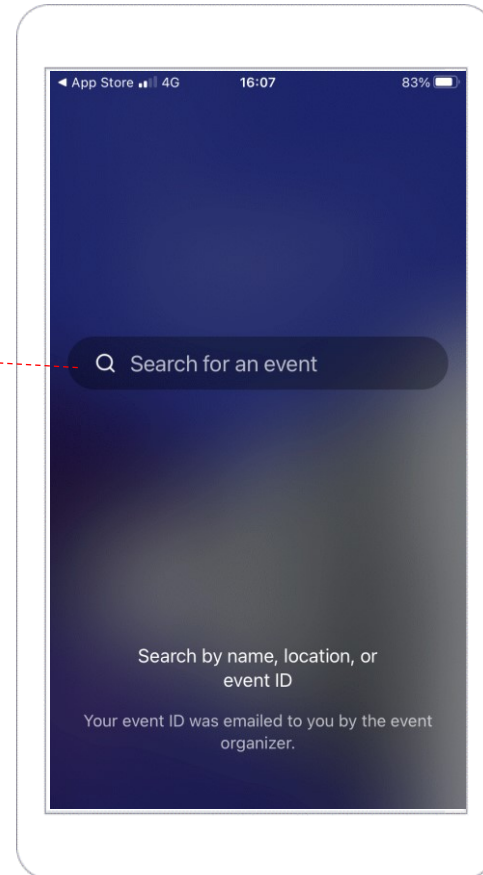

Log in the App

Step 2: Log into the App

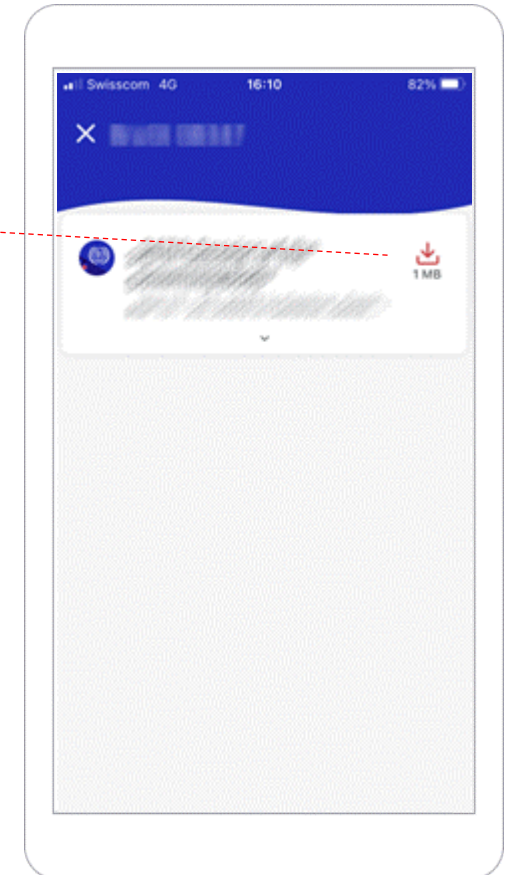

After starting the application on your device, enter exactly the event ID below in the field "Search for an event" :

BrwGt 111eILC2023

This event ID is **case sensitive** and with **1 space between the two codes**.

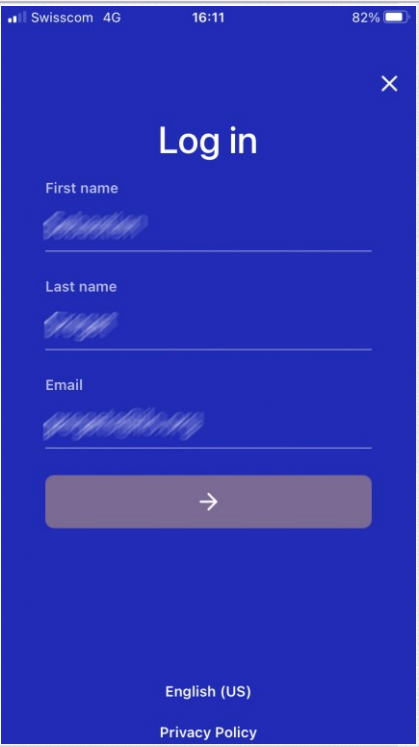

Download the event

Log in the App

Step 3: Verify Your Account

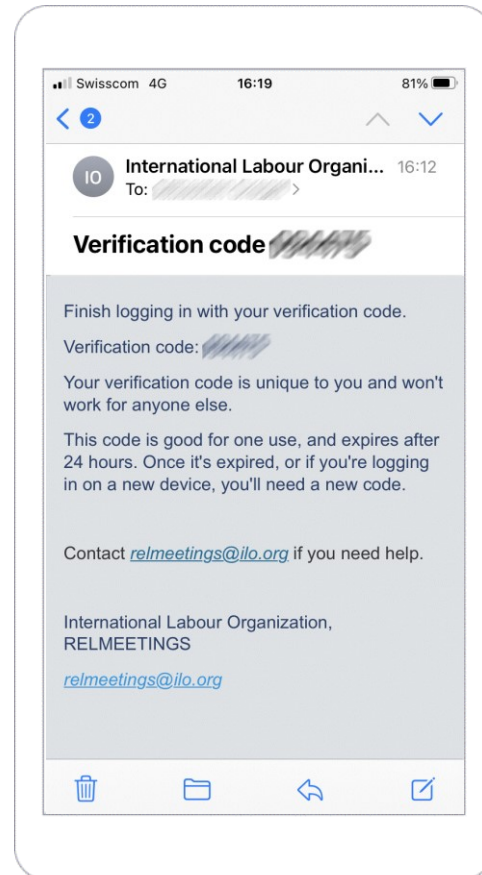

Enter your first name, last name and email and click on the arrow.

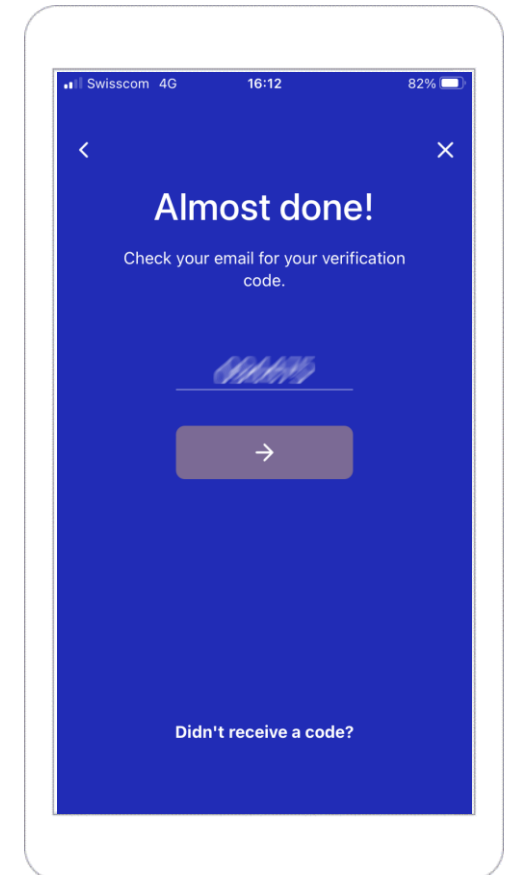

The screenshot shows a mobile app interface with a blue background. At the top, the status bar displays 'Swisscom 4G', '16:11', and '82%'. The app screen has a white 'X' close button in the top right corner. The title 'Log in' is centered at the top. Below it are three input fields labeled 'First name', 'Last name', and 'Email', each containing a blue scribble. A large blue button with a white right-pointing arrow is positioned below the input fields. At the bottom, there are two links: 'English (US)' and 'Privacy Policy'.

Verify your code

A email with a verification code will be sent to your email address.

Enter the verification code and click on the arrow to finish setting up your device and account.
