| In light of the deferral of 109th Session of the Conference to June 2021 due to the COVID-19 pandemic, the Governing Body decided in March 2020 to invite Member States to provide supplementary information on reports submitted in 2019, highlighting relevant developments, if any, on the application of the provisions of Conventions under review that might have occurred in the meantime. In addition, reports were requested on the basis of a footnote adopted by the Committee requesting a report for 2020 and on the follow-up of failures to submit reports |                   |                                        |       |                                                                |       |                                                      |       |
