LOCAL EMPLOYMENT PARTNERSHIPS
IN BOSNIA AND HERZEGOVINA

The project "Support to Local Employment Partnerships in Bosnia and Herzegovina" is part of the 19 million euro EU funded Programme for Local Development and Employment. Three projects that operate under the Programme will be implemented by UNDP, GIZ and ILO until January 2019. The projects aim to assist economic recovery of flood affected areas, support the local economic development and local NGOs with social development recovery assistance and provide structural employment enhancement measures through integrated local development.
