

SUPPORT TO UKRAINE TO REDUCE UNDECLARED WORK (UDW)

Earlier with the EU funding the ILO supported defining comprehensive approach to reduce UDW:

- ▶ [situation analysis and recommended measures](#)
- ▶ drafting the [National Action Plan to Fight UDW-2018](#)
- ▶ defining State Labour Service's objectives and tools
- ▶ trainings for labour inspectors

Results in 2020–2021 achieved with the support of the current project

Consensus of all stakeholders —
reduction of UDW
is good for all

**Multilateral collaboration
set up**

- State Labour Service
- State Tax Service
- Pension Fund
- State Employment Service
- National Police

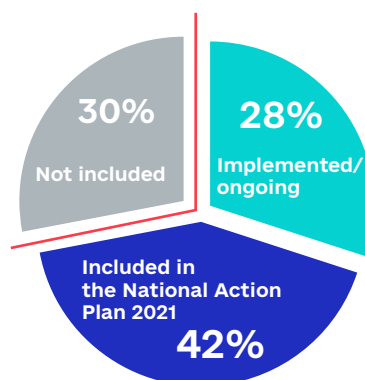

**SLS regularly makes
"UDW passports" for the
regions and plans targeted
visits to the employers**

**National Action Plan to Reduce UDW 2021
adopted in April 2021 based on the
[Draft National Action Plan to Fight UDW 2018](#)**

In total, **70% measures** of Draft Plan 2018
"taken on board" by the stakeholders

**Measures of the Draft
National Action Plan to Fight
UDW 2018 adopted by the
stakeholders (as of June 2021)**

Over **4.45** million persons
reached by "[GO TO LIGHT!](#)"
communication campaign

455,547 undeclared
workers regularized as a
result of SLS information
and inspection visits
(Jan 2020–Oct 2021)

Youth for declared work
Students of **above 115
universities** all over Ukraine
learned more about the risks
of undeclared work through
[3 Ukrainian Student
Advertising Festivals](#),
supported by the Project in
2019–2021 to reach future
workers and employers

- ▶ The ILO Project also assists the SLS with its reform and know-how transfer, assists Ukraine with OSH legal reforms and approximation to EU standards.
