

Green Jobs Kick-Off Workshop in the Arab States: Lebanon Case Study

Day 2, Session 3
***Green Jobs in Lebanon,
Challenges and Opportunities - Working
Group Discussions***

**Beirut, UN-House
July 28-29, 2011**

Day 2, Session 3: *Green Jobs in Lebanon, Challenges and Opportunities - Working Group Discussions*

Yesterday, you have selected your preferred **2 priority activities**
and **2**
policy options/needs.

By the end of the next 60 min brainstorming meeting, each
working group
is expected to present a 10 min presentation on:

- ✓ *For WG 1, a concept for implementing prioritized Activity 1*
- ✓ *For WG 2, a concept for implementing prioritized Activity 2*
- ✓ *For WG 3, a Policy Agenda for addressing the 2 selected Policy Options/Needs*

This PowerPoint is designed to provide you guidance on HOW

Day 2, Session 3:
*Green Jobs in Lebanon, Challenges and Opportunities -
Working Group Discussions*

1. For Working Groups 1 and 2 (Activities):

To come up with an effective Work Plan...

- ✓ Think of concrete ways of implementation
- ✓ Elaborate downstream/grassroots initiatives
- ✓ Discuss how different/complementary partners could collaborate in a creative way to achieve them
- ✓ Keep in mind the broader objective: to create more green jobs, in particular for young job seekers

Day 2, Session 3:
*Green Jobs in Lebanon, Challenges and Opportunities -
Working Group Discussions*

1. For Working Group 3 (Policy Agenda):

- ✓ Find a coherent way of organizing the different dimensions involved in green jobs promotion, e.g. advocacy work and legislation, skills development training strategies, stakeholders' partnerships on the labour market and in the education field, awareness raising planning, etc.

- ✓ Keep in mind the broader objective: to address the multisectoral policy needs previously identified, both comprehensively and logically...!
