KIND OF DATA

Sample survey data [ssd]

UNITS OF ANALYSIS

Individuals

Scope

NOTES

Disabilities: All types (seeing, hearing, speaking, moving/mobility, body movement, gripping/holding, learning, behaviour, personal care difficulties)
Term used to denote 'disability': "Longstanding health problem or disability"
Definition of this term: A difficulty (in terms of quantity and quality) to perform any daily activity, including working, due to a longstanding health problem or disability.
Source of this definition: Commission Regulation (EC) N° 317/2010
Questions used to identify persons with disabilities: "Do you have any of the following longstanding diseases (that last at least 6 months)?" (the list is given in the questionnaire). "Which of the longstanding diseases that you have do you consider as being the most severe?" "If you were employed, would you: have to work fewer hours per week because of disease(s); be able to do any kind of work despite your disease(s); your disease limit you in getting to and from work if you had one?" "Do any of the following difficulties aggravate your everyday activities: seeing, even if wearing glasses; hearing, even if using a hearing aid; walking, climbing steps; sitting or standing; remembering, concentrating; communicating, for example understanding or being understood; reaching or stretching; lifting and carrying; bending; holding, gripping, or turning?" "If you were employed, would you: have to work fewer hours per week because of difficulty(ies); be able to do any kind of work despite your difficulty(ies) ; your difficulty(ies) limit you in getting to and from work if you had one?" "Due to your health problems would you: need any personal assistance at work (walking, accomplishing tasks, and understanding; need to have any special equipment or adapted work place to enable you to work?" "Do you have/would you need any special working arrangements because of your health problems (less strenuous work, flexible working hours, teleworking, etc)?" "Do you have any other problems, which are not health related, that would limit your working capacity, if you were employed: lack of qualifications or experience; lack of appropriate job opportunities; lack of proper transportation to and from the workplace; employers' lack of flexibility; affects receipt of benefits; family/caring responsibilities; personal reasons; other reason?" Possible answers: yes, no.
Minimum duration to be considered as a person with disability: 6 months
