

All Protocol Observed.

The Zimbabwe Congress of Trade Unions Take this opportunity in congratulating today's winners and hope that they will continue with their innovative ways that will lead to a green economy and creation of green jobs through skills development.

ZCTU is very clear about the Green Enterprise project Objectives and this Awards Ceremony comes at time when there is serious desire to ensure for the promotion of the green economy through coming up with innovative ways as we clamor for a low carbon development path in the Country.

The achievement of sustainable productive green jobs through skills development entrepreneurship promotion as well as business practices is easily realized through coming with effective innovative ways. The Project is one such conduit that will assist the Country realize its Nationally Determined Contributions whose ambitious target being that of reduction of carbon emissions by 33%.

As Labour we would like to see a scenario where all those retrenched also beneficiaries to this program. ZCTU has an established employment creation desk and we would like to implore upon the Authorities to consider a serious engagement with Labour to ensure continued employment creation.

In conclusion, ZCTU would like to thank Government of Sweden, ILO and all the Social Partners for making this event a successful one.

Thank you and Congratulations
