Creating a post-pandemic Future of Work in the Caribbean: Recommendations for achieving resilient labour markets

14 December 2020, 10:00-11:00 am

Objectives: The event will present the main findings of the report *“COVID-19 and the English- and Dutch-speaking Caribbean labour market. A rapid assessment of the impact and policy responses at the end of Q3, 2020”* and will discuss future development in the country level responses with a panel of qualified speakers that are representative of the ILO tripartite constituents.
