▶ **Creating a post-pandemic
Future of Work in the Caribbean:
Recommendations for achieving
resilient labour markets**

14 December 2020 | 10:00 - 11:00 am ECT

▶ **WHAT WE SEEK
TO ACHIEVE:**

- ▶ Present the main findings of the report "COVID-19 and the English- and Dutch-speaking Caribbean labour market. A rapid assessment of impact and policy responses at the end of Q3, 2020".

- ▶ Discuss potential way forward for country and regional level responses with a panel of qualified speakers representative of the ILO tripartite constituents.

- ▶ Provide a platform to enact social dialogue, consultation and connection between social partners and continue the debate around how to safeguard decent work opportunities in the region.
