PROFILE

- Mitra ImaDei was established in 2005

Our former name is *JMP Jabotabek*, a networking of catholic women in surrounding Jakarta, as part of *JMP Nasional*, a national network of catholic women.

- **Mission**

- Promoting for gender justice and equality values
- Advocating for human rights for marginal groups, especially women.
- Building and mobilizing women's network for equality and justice

- **Target group**

1. Labors groups (child/adult domestic workers)
2. Leaders of Communities
3. Teachers and high school students

Key Activities

- Facilitating some courses to educate CDWs in Tangerang and Bekasi (Sanggar Belajar/ Education Center)
- Initiating an organization in order to improve CDWs capacity and skills inside the church community (PAPERTA/ Paguyuban Pekerja Rumah Tangga)
- Building networking with JALA PRT, LBH APIK in order to advocate Law for the Protection Domestic Workers
- Advocating special cases

Mitra ImaDei

Success Story

- Facilitating 274 CDWs in Tangerang and Bekasi
- Community advocating by doing theater performance done by CDWs Tangerang
- Organizing 120 PAPERTA members with art activities
- Producing and applying module of empowerment CDWs in church community in Jakarta and Bekasi

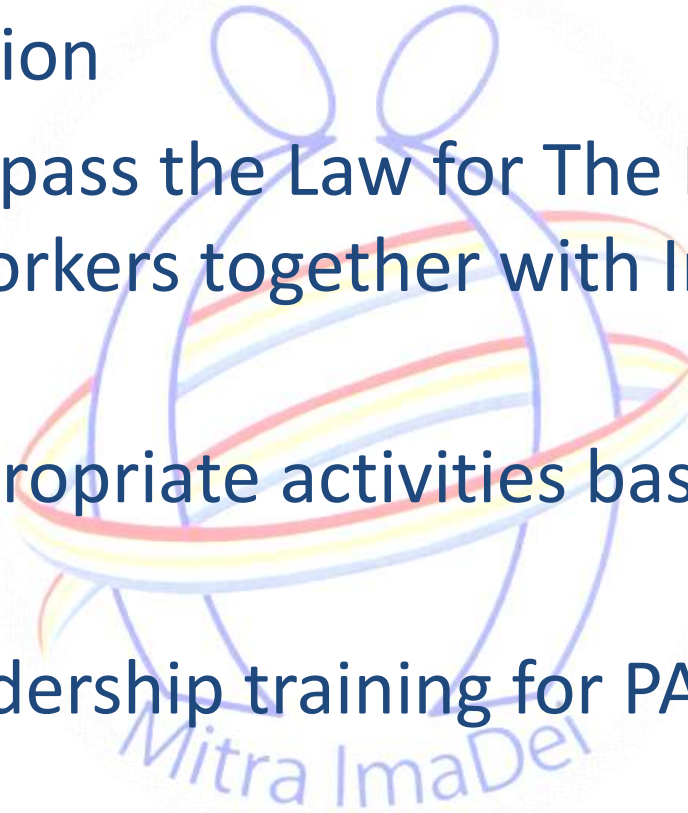

Challenges

- Starting the advocacy and empowerment program of Child/Adult Domestic Workers in the views and current habits of employer and community
- No bargaining position of CDWs to participate the education activities while working
- Maintaining the CDWs motivation to learn and to give awareness of the important of education
- Motivating PAPERTA members and settle the organization by continuing their activities

Current needed

- Building the perspective of gender awareness and child protection
- Enforcing to pass the Law for The Protection of Domestic Workers together with ImaDei networking
- Creating appropriate activities based on interests of CDWs
- Planning leadership training for PAPERTA members

Terima Kasih
