

GENDER EQUALITY

ILO action plan for gender equality 2010-15: Phase I – aligned with programme and budget 2010-11

The Action Plan operationalizes the 1999 ILO policy on gender equality which identified gender mainstreaming as the strategy to promote equality between women

and men. The Action Plan also facilitates effective and gender-responsive delivery of the Decent Work Agenda in line with the 2009 International Labour Conference Resolution on Gender Equality at the Heart of Decent Work.

MIGRATION

Migration for development: within and beyond frontiers

The book presents the findings from selected studies published in IOM's migration research series. It has been chosen to reflect the fact that most of the papers in this collection focus on

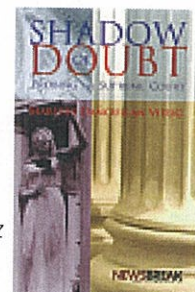

ways in which migration can be a positive force for development.

Philippine coast guard: 108 years of dedicated and glorious service

The Philippine Coast Guard's (PCG) year in review is replete with both traditional and new challenges. As a 24/7 sea-going service that perpetually looks into the safe, environmentally sound, and secure passage of more than 90 per cent of the country's domestic trade that is being transported by merchant vessels, the inherent capability of the PCG to save lives and property at sea, protect the marine environment and resources, neutralize maritime transnational threats, and secure ports and ships has been put into greater test.
