Bridging Recruitment to Reintegration in Migration Governance Programme (BRIDGE)

TERMS OF REFERENCE
Documenter for a Forum on fair and ethical recruitment and ILO Convention 181 with Private Recruitment Associations (PRA's)

I. Background

The Bridging Recruitment to Reintegration in Migration Governance Programme (BRIDGE) is a joint programme being implemented by IOM, ILO and UN Women that seeks to support the implementation of the Global Compact for Safe, Orderly, and Regular Migration (GCM). In particular, the Government of the Philippines has identified Objective 6 (Facilitate fair and ethical recruitment and safeguard conditions that ensure decent work) and Objective 21 (Cooperate in facilitating safe and dignified return and readmission as well as sustainable reintegration) as priority GCM objectives.

Under Outcome 3: Improved alignment of policy and practices to GCM objectives on reintegration and fair and ethical recruitment, BRIDGE and the Philippine Overseas Employment Administration (POEA) will co-organize a forum with Private Recruitment Associations (PRAs) on fair and ethical recruitment and ILO Convention 181. The forum will serve as a platform to gather the inputs of the recruitment industry on how fair and ethical recruitment, including gender-responsive recruitment, can be promoted further under the Department of Migrant Workers (DMW), building on previous gains and lessons learned.

The objectives of holding the forum are to: 1) iterate relevant international labour standards (e.g., ILO Convention 181), guidelines, and strategies on fair and ethical recruitment; 2) share challenges and good practices on surrounding Philippine recruitment regulation, including practices of recruitment agencies; 3) gather inputs and recommendations of private recruitment agencies on how fair and ethical recruitment practices can be promoted under the DMW; and and 4) discuss opportunities in improving fair and ethical recruitment practices under the Department of Migrant Workers. See attached Concept Note for further information.

To ensure the proper documentation of the forum, BRIDGE will engage the professional service of a Documenter (service provider).

II. Scope of Work

Under the supervision of the ILO National Project Coordinator for the BRIDGE Programme, the Documenter will be responsible for the written documentation of the
