

ACCOMPLISH REPORT FOR THE MONTH OF FEBRUARY 2016 ON SKILLS TRAINING AND ENTERPRISE DEVELOPMENT (DRESSMAKING COC)

Review of Work plan

- Dressmaking participants have completed their 12-day Training from Dec. 07 to Dec. 21, 2015 at the Women Friendly Space, Rio Hondo, Zamboanga City.
- They finished conducting Values formation, Leadership skills and Life skills education for out of school youth on Jan. 18-19, 2016.
- They have also participated on Community-Based Enterprise Development where they learned how to conceptualize their own business ideas on January 25, 26 and 29, 2016.
- On Jan. 28, 2016, Unyphil-Women in partnership with ILO invited at least 8 participants from Rio Hondo Dressmaking to meet the ILO Deputy Director Mr. Hideki Kagohashi; they were asked about their social and economic situations before and after the siege.
- They have also been invited to attend Training on Entrepreneurship Development at DTI Zamboanga on Jan. 27, 2016.
- Unyphil-Women Inc. was able to conduct the SSS and Philhealth Orientation of the Dressmaking together with the Housekeeping on February 11, 2016.
- On the first and second week of February 2016, Umyphil-Women Inc. discussed about the post training assistance for enterprise development; consulted DOLE about the Business Assistance for the Dressmaking Enterprise. They were given Workers' Association forms and presented the necessary requirements such as Bio-data, Cedula, Barangay Certification and Notarization of DOLE form from a Lawyer. On February 17, the association received the certificate of Registration.
- The Trainer of Universal College for dressmaking volunteered to visit Rio Hondo and review the dressmaking skills in preparation for COC Assessment at Cotour on March 17-18, 2016.
- Unyphil had a meeting with the Dressmaking participants about their proposal to be passed at DOLE and they were provided template as guide. Thus, they canvass what are the needed materials and equipment for their working capital.
- Participants of Dressmaking had conducted FGD along with the Unyphil Staff at Barangay Rio Hondo Women Friendly Space and Lupa-Lupa on the second week of February 2016.

Review of Finance

- All project expenses were liquidated and settled in the first tranche.
- On February 9, 2016, Unyphil paid the Manager of the Macbay's Restaurant 2nd tranche payment for catering meals for the two courses. (Housekeeping and Dressmaking)
- Unyphil Admin paid the Philhealth insurance of the Dressmaking Participants on February 4, 2016.
- Universal College Inc. Training Cost was paid on February 11, 2016 at the Universal College Canelar, Zamboanga City.

Challenges/Gaps

- SSS and Philhealth Orientation were delayed due to their tight schedule especially for renewal at City Hall.
- Dressmaking participants have not yet conducted COC Assessment at UC due to the tight schedule. The target is in March 2016.
- So far, there is no location identified in Barangay Rio Hondo for establishment of Dressmaking Enterprise.
- According to the participants, 12-day TESDA Dressmaking was not enough for them to master the skills; they only know one pattern.
- Out of 25 participants, 22 remained and 3 decided to back out from the class.

Suggestions/Recommendations

- Dressmaking Participants suggested to have further skills training on dressmaking to enhance their capabilities on cutting of patterns and sewing of cloths.
- There should be immediate action for identifying the location of the Dressmaking Enterprise in Rio Hondo.
