# Post Training Support for IDP Communities

for Durable Solutions and Reintegration

**A Call for Support from Key Stakeholders to IDP Communities**

Rizalyn Vale, Project Officer  
ILO Zamboanga, Western Mindanao  
July 2016

# Background

- Since June 2015, ILO has been engaged in the conduct of several skills trainings aimed at improving the employability and entrepreneurship competencies of IDP communities.

## ILO & Local Partners Intervention Output(s)

- ▶ In partnership with TESDA R9 and Certified Training Institutes, provided skills trainings for IDP communities with the following TESDA Courses NC II Certifications in
  - Garment & Dress making Course for 25 IDP Youth, women and men from Rio Hondo Transitory site
  - Commercial Cookery Course for 50 IDP Youth, women and men from Kasangyangan and Tulungatung
  - Conducted TESDA assessments for 75 IDP participants with 80% passing for NC II

## ILO & Local Partners Intervention Output(s)

- ▶ Assisted in formation of women led enterprise(s) for Garment & Dress Making Group and Commercial Cookery Group namely,
  - Mujures Enterprise (Rio Hondo)
  - Kasangyanga Enterprise (
  - Tulungatung Enterprise

## ILO & Local Partners Intervention Output(s)

- ▶ Establishing collaborations with key stakeholders for market linkages and sustainable market demands
  - City Mayor's Office, Investment Division
  - CSWD and PESO
  - DOLE R9
  - Chamber of Commerce, Zamboanga City
  - Private Sector etc.

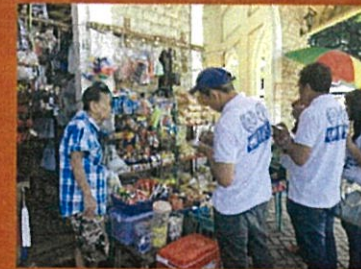

## Follow up on Strengthening Collaborations with Key Stakeholders in Zamboanga City

IDP  
Communities

City  
Government  
and Its Agencies

Private Sector

IDP Reintegration and Sustainability

# Proposed Way Forward

# Opportunities for Collaborations

## IDP Communities

Quality Products and Services

IDP's commitment to their Business Enterprises

Coordination with key stakeholders

## Key Stakeholders

Support to promote access to the needed resources of IDP communities

Identify viable markets for IDP Products and Service

Prioritization of market linkages for IDP communities products and services

## Market Demand

Assistance to IDP communities to strengthen access and market demands linkages

# Immediate Objectives:

## 1) Market Linkages for IDP products and services

- For example, Garments and Dress Making and Commercial Cookery Women Led Groups:
  - To produce a significant % of visibility merchandise e.g. bags, purses, pouches, cloth based key chains, native snacks and food etc. for workshops, seminars of local governments, Civil Society Organizations, NGOs etc.
  - To promote and contribute to the "Zamboanga Brand" under the Tourism and Hospitality Industry etc. for the visibility of Building Back Better Zamboanga Awareness Campaign for IDP Communities
  - To partner with Private Sector in establishing access and sustainable local and regional markets for IDP communities products and services

# Immediate Objectives:

## 2) Working Group and Coordination

- Strengthening existing response agencies and cooperation across the key stakeholders
- Establish simple, achievable and sustainable outputs to achieve immediate objectives
- Recommendations for medium term planning in support of the interventions for IDP communities in the area of their livelihoods and business development

# Brain Storming for Opportunities

	City Government	Civil Society & NGOs etc.	Private Sector
