Publisher: ILO-Evaluation Unit

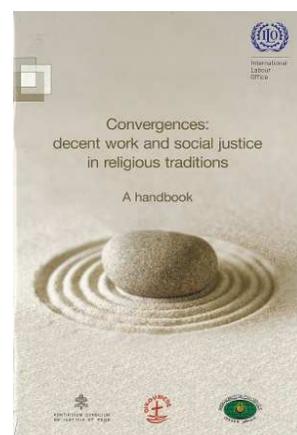

DECENT WORK AND SOCIAL JUSTICE

Convergences: decent work and social justice in religious traditions: a handbook (print and CD versions)

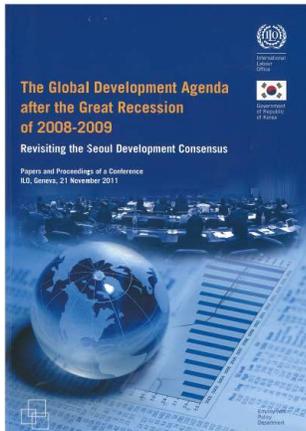

Spirituality and values are essential in the quest for a fair globalization. This handbook demonstrates that in different religious and spiritual traditions there is great convergence of values on the subject of work. Human

dignity, solidarity and above all the connection between work, social justice and peace put us on common ground.

Publishers: ILO-Geneva, the World Council of Churches (WCC), Pontifical Council for Justice and Peace, and Islamic Educational, Scientific and Cultural Organization (ISESCO)

GLOBAL DEVELOPMENT

The global development agenda after the great recession of 2008-2009: revisiting the Seoul development consensus. Papers and proceedings of a conference on 21 November 2011

The conference reviewed the Seoul Development Consensus (SDC) rationale and explored its current status, reflected on future

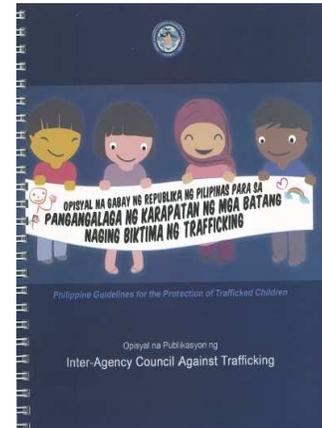

prospects and invited experts to assess whether another "development consensus" is really needed.

Publishers: ILO- Employment Policy Department and Government of Republic of Korea

TRAFFICKED CHILDREN

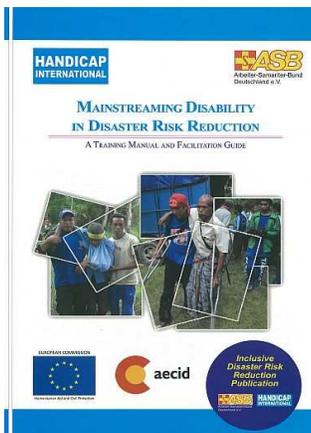

Philippine guidelines for the protection of trafficked children (English and Tagalog versions)

The report provides definition of terms on child, child trafficking, general principles on the rights of the trafficked child, and specific guidelines in detection and identification of a trafficked child.

Publisher: ILO-Regional Office for Asia and the Pacific

DISABILITY IN DISASTER RISK MANAGEMENT

Mainstreaming disability in disaster risk reduction: a training manual and facilitation guide

At times of disaster, persons with disabilities are among the most vulnerable individuals within societies. The book provide information, ideas and materials that can applied to a range

of disaster risk reduction programming, The information provided is practical in nature and can benefit policy makers, managers, trainers, and those working directly in and with communities alike.

Publishers: European Commission Directorate General for Humanitarian Aid and Civil Protection (ECHO) and Spanish Agency for International Development Cooperation (AECID)

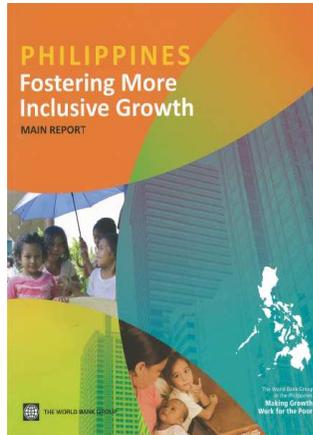

Lessons learned: mainstreaming disability into disaster risk management initiatives in Indonesia and Philippines

The lessons learned presented are intended for community disaster management (DM) and disaster risk reduction (DRR) practitioners, development professionals, as well as government agencies. It is a reference on the experiences in Indonesia and Philippines fostering the mainstreaming disability into DRM initiatives.

Publishers: European Commission Directorate General for Humanitarian Aid and Civil Protection (ECHO) and Spanish Agency for International Development Cooperation (AECID)
