INTERNATIONAL LABOUR CONVENTIONS AND

Handbook of procedures relating to international labour Conventions and Recommendations

Handbook of procedures relating to international conventions and recommendations (Revised edition 2012)

This handbook describes the procedures operating within the International Labour Organization in relation

to the adoption and implementation of Conventions and Recommendations. The present edition takes account of the adjustments to the system for the supervision of international labour standards decided on by the Governing Body of the ILO on March 2012 session.

Publisher: ILO-International Labour Standards Department (NORMES)

LABOUR DISPUTES

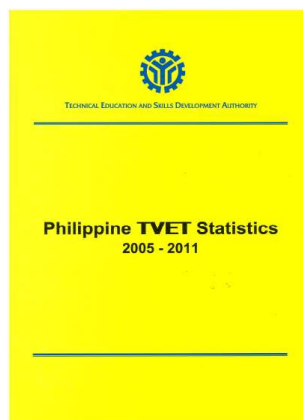

Joint DOLE-PNP-PEZA guidelines in the conduct of PNP personnel, economic zone police and security guards, company security guards and similar personnel during labour disputes

The guidelines incorporate the principles and pave the way for improved exercise of workers' rights and an enabling environment for social dialogue in economic zones. The guidelines can also be used in similar situations in other parts of the country.

Publishers: ILO-Country Office for the Philippines and Department of Labor and Employment-Bureau of Labor Relations

TVET STATISTICS

Philippine TVET statistics, 2005-2011

The Technical Education and Skills Development Authority (TESDA) regularly monitors and releases data series on enrolment and graduates of technical-vocational education and training (TVET).

Philippine TVET Statistics is a useful resource book for administrators and planning officers of TVET institutions, training partners in the LGUs and non-government organizations, and graduate students in educational research.

Publisher: TESDA

DEVELOPMENT EVALUATION

Evaluation for equitable development results

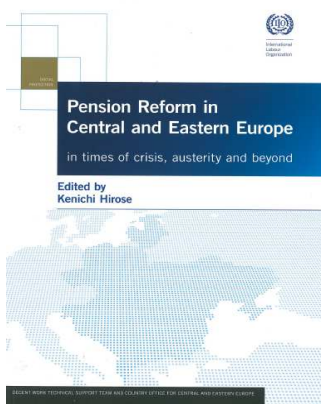

The paper includes collection touch on approaches and methods already familiar to evaluators, the challenge of addressing the question of equity has helped to

demonstrate renewed relevance and establish fresh perspectives. Several essays showcase examples of evaluations addressing equity issues, providing a valuable source of inspiration.

Publisher: UNICEF

SOCIAL SECURITY

Pension reform in Central and Eastern Europe in times of crisis, austerity and beyond

This book is organized in two parts. Part I reviews the recent trends in pension reform in Central and Eastern Europe and discusses the key issues related to pension reform in general, focusing in particular on the future

direction of pension reforms in Central and Eastern Europe. Part II comprises the case studies of Bulgaria, Croatia, Czech Republic, Hungary, Poland, Romania, Slovak Republic and Slovenia.

Edited by: Kenichi Hirose

Publishers: ILO Decent Work Technical Support Team and Country Office for Central and Eastern Europe

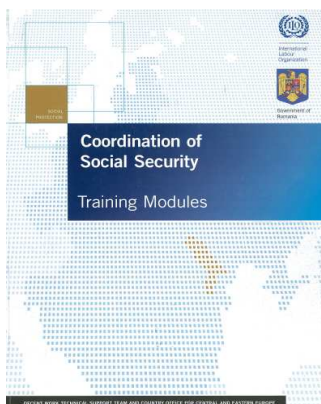

Social security for migrant workers: a rights-based approach

This publication is intended to serve as a comprehensive guide for the international coordination of social security, covering both basic principles and practical aspects.

This publication is closely related to a series of training modules published by the ILO in 2010 dealing with the coordination of social security.

Authors: Kenichi Hirose, Miloš Nikač and Edward Tamagno

Publishers: ILO Decent Work Technical Support Team and Country Office for Central and Eastern Europe

Coordination of social security: training modules

The scope of this publication covers international standards on social security coordination and practical aspects of social security agreements. It supplements the general guides and

instruments for social security coordination.

Publishers: ILO Decent Work Technical Support Team and Country Office for Central and Eastern Europe

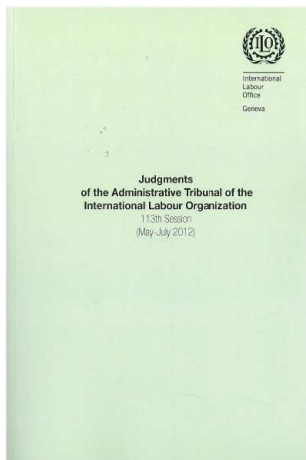

Coordination of social security systems in the European Union: an explanatory report on EC Regulation No. 883/2004 and its implementing Regulation No. 987/2009

The aim of this report is to provide an overview of the new EU social security coordination through an explanation of the key provisions of the regulations. This report will present an advanced model for social security coordination at the regional level.

Publishers: ILO Decent Work Technical Support Team and Country Office for Central and Eastern Europe
