Organization

COLLECTIVE BARGAINING

Collective bargaining in the public service: a way forward. International Labour Conference, 102nd Session, 2013

The main focus of the general survey is on collective bargaining rights in the public administration. It also covers a number of other subjects, including consultation, the civil and political rights of public

employees, the facilities to be granted to trade union representatives, protection against acts of discrimination and interference and dispute settlement mechanisms.

Publisher: ILO-Geneva

INTERNATIONAL LABOUR STANDARDS

Application of international labour standards 2013 (I). Report of the Committee of Experts on the Application of Conventions and Recommendations. International Labour Conference, 102nd Session, 2013

The document provides an overview of recent developments relating to international labour standards, the implantation of special supervisory procedures and technical cooperation in relation to international labour standards.

Publisher: ILO-Geneva

PROGRAMME AND BUDGET

The Director-General's programme and budget proposals for 2014-15. International Labour Conference, 102nd Session, 2013

The Programme and Budget proposals for 2014-15 respond to the

strong and consistent calls from ILO constituents for reform and change to make the Organization the centre of technical excellence for the world of work, the first choice provider of policy analysis and quality services.

WASTE COLLECTION BUSINESS

Start your waste collection business: a step-by-step guide. Manual

The manual will assist in organizing your thoughts and collecting the information needed. This *Start Your Waste Collection Business Manual* will guide you in thinking the idea through.

It is meant to help you decide how: (a) to make a marketing plan; (b) plan your operations; (c) calculate how much start-up capital needed; (d) assess the sources of start-up capital; (e) and make financial plans.

Publisher: ILO-Geneva

WASTE COLLECTION BUSINESS

Start your waste collection business: a step-by-step guide. Business plan

The manual will help you to develop a business plan covering all the important aspects to be considered in starting a business. It also deals with basic financial management as you will need some

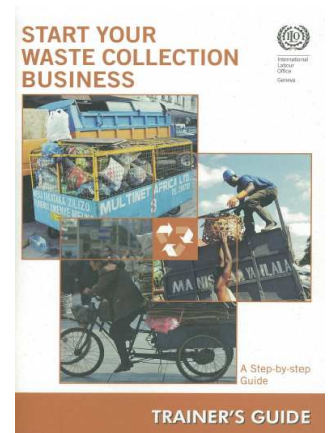

knowledge about it from the very first day of operating your business.

Publisher: ILO-Geneva

Start your waste collection business: a step-by-step guide. Trainer's guide

The guide is meant for trainers and facilitators of the *Start Your Waste Collection Business* training programme. It will guide you through preparations for the course, lesson plans and facilitation of site visits. It is meant to help you make each session as practical and interactive as possible so that the participants will have the necessary information and skills to launch your business.
