HIV and AIDS: Guidelines for the retail sector

The guidelines are based on the ILO Code of Practice on HIV/AIDS and the World of Work, its accompanying training manual and the ILO Recommendation concerning HIV and AIDS and the World of Work, 2010 (No. 200), which places a strong

emphasis on promoting and supporting sectoral, national and international efforts to respond to the epidemic.

Publisher: ILO-HIV and AIDS and the World of Work Branch (ILOAIDS)

Handbook on HIV and AIDS
for labour inspectors

Domestic work, wages and gender equality: Lessons from developing countries

The paper seeks to contribute to a better understanding of developments regarding labour market participation and remuneration in the domestic work sector in comparison with other sectors. It looks at the basic characteristics of

female domestic workers, gaps in minimum wage coverage, compliance, and the extent of minimum wage violations.

Publisher: ILO-ROAP

Korea labor review 2015 Autumn, Vol. 56

Feature: Social grand compromise for labor reform: Formation process and meaning.

Publisher: Korea Labor Foundation

Minimum wage setting practices in domestic work: An inter-state analysis

The aim of the study is to do a comparative analysis of the states that have notified minimum wages for domestic workers with a view to draw lessons from their experiences. The experiences of various states would help in delineating aspects of the law and its specificities that can make the intervention more meaningful. This would thus help in the formulation of best practices for wider application.
