Myanmar National Recommendations for the 11th ASEAN Forum on Migrant Labour “Digitalisation to Promote Decent Work for Migrant Workers in ASEAN” 3 October 2018, Thingaha Hotel, Nay Pyi Taw, Myanmar

Recommendations

1. Build capacity of stakeholders involved in labour migration management to use digital tools.
2. Develop systems to oversee migration information that is publicly available on line for accuracy and to make sure it is current
3. Use digital tools to support networking among migrant workers overseas and to maintain contact with home country
4. Develop online job matching portals which are easily accessible and user friendly.
5. Make use of free software and applications (such as facebook and google, viber) when developing digital services for migrants.
6. Use digital tools to offer pre departure and post arrival trainings and information to potential migrants.
7. To develop friendly digital tools for migrants to access accurate and up to date information about countries of destination (currency, do's and don'ts, culture)
8. Promote use of legal online banking for safer, cheaper and quicker transfers of migrants remittances
9. Develop an online Complaints mechanism that is easily accessible; and which can track the progress of the response to the complaint.
