[ILO Depository Library \(2018: GOALI\)](#)

Thank you for participating in our Depository Library programme. You are receiving this notice because you or your colleague completed our 2016 programme survey.

A. In 2018, the ILO Library launched [GOALI](#), a Global Online Access to Legal Information portal that is part of [Research4Life](#). GOALI provides free or low-cost online access for institutions in selected countries (see the map above) to legal research and training. You may know institutions in these countries, or you may wish to register your library for the service to enable your researchers, law students, policymakers, judges and legal experts to access information that they could use from some of the world's leading academic publishers.

Three easy steps open GOALI's doors.

1. [Check](#) what is available: Academic and professional peer-reviewed journals, publications and databases in selected subject areas of law.
2. Check whether your country or the countries of your partners are listed amongst [eligible countries](#).
3. [Register](#), or contact us for further information (goali@ilo.org).

B. As indicated two years ago, because your institution is an [ILO depository library](#) member, you and your colleagues can access ILO resources through our Library webpage.

Thank you in advance for letting us know if we could assist you in any way. Write to library@ilo.org.

Best regards,
Keiko
