All the terms and abbreviations on this organigramme can be found in three languages (shortly all seven) on the ILOTERM database (available at: ILO Intranet home page – Site index – Terminology or at:  https://www.ilo.org/MultiTransWeb/Web.mvc)

ILOTERM is a useful working tool for linguists and researchers and provides equivalents of terms relating to the ILO in particular and, more broadly, to the social and labour fields.
