DECENT WORK FOR YOUTH

Globally, young people are nearly 3 times more likely than adults to be unemployed. Many of the young who do work have poor working conditions.

Let's make a change!

What are your experiences,
thoughts and ideas?

If you're between the age 18-29 let your voice be heard by submitting a video! The producers of the best 3 videos, will be invited to Geneva to present them at the ILO Youth EmploymentForum in May 2012. Don't have a camera? No problem. Use your phone!

To enter: Upload your video on Youtube and send the link to the Youth Employment Programme at youth@ilo.org by *April 15*.
