INSTRUCTIONS FOR CHAIRING AND PRESENTING

Please remember that time keeping is critical in running the conference smoothly. Failure to do so may have knock-on effects, and risk affecting other presenters and sessions.

**Chairpersons** are requested to take overall responsibility for the timely running of each session. This includes ensuring that each presenter is given sufficient time – and an equal amount of time – in which to make their presentation. It also includes politely reminding presenters, where necessary, of the overall need for timeliness. Each room will be equipped with cards that the chairperson can use to remind presenters of their remaining time.

Following presentations, the chairperson is requested to manage the discussion and questions from the floor. Chairpersons are requested to stimulate discussions by raising questions in response to papers, but are not asked to act as discussants. Chairpersons are asked to ensure that as many questions can be asked and answered as possible, and that all presenters have an opportunity to engage in dialogue with those attending their session.

**Presenters** are asked to take personal responsibility for presenting their papers and to respect the time limit. This will ensure the maximum possible time for each presenter to discuss their work with conference participants attending their session.

Both chairpersons and presenters are asked to arrive in the room for their session 10 minutes before the scheduled starting time. This will allow all the session presenters to determine how the session will proceed, including the order of presentations, and whether questions will be taken after each presentation, or at the end of all presentations in the session. It will also allow time to ensure that presentations are available for use from the IT facilities in the room for the session.

**Presentation slides**

All presenters are asked to upload their conference presentation to a web repository at least one (1) day prior to their presentation. All ILO conference rooms have internet access. Due to logistical and security reasons, presenters may not use personal computers or USB devices. There are no exceptions.

**Chairperson and “master book”**

For a quick and easy reference for chairpersons – and presenters – a “Master Book” will be provided on the podium in each room with all necessary details. This will include a list of sessions to be held in that room, as well as each presenter’s abstract and short CV. The chairperson could use the CV provided in the Master Book and also consult with each presenter as to how they may prefer to be introduced.
Time allocation

Our recommendation is:

- Three paper session: 20min presentation + 10min for questions and discussion
- Four paper session: 15min presentation + 8min for questions and discussion

Please prepare your presentation accordingly. Exceeding your time limit may have knock-on effects, and risk affecting other presenters and sessions.
