20th International Conference of Labour Statisticians
10-19 October 2018, Geneva

Description of current situation and future work

- Nascent sustainable statistical cooperation of ROAS with Arab States and inside the Decent Work Team.
- Data Reporting and sharing: yearly questionnaire, SDGs, micro data
- Technical assistance to countries: Lebanon, Iraq, Jordan, UAE...
- Cooperation with other international and regional organizations: SDGs, ESCWA, GCC-STAT, AITRS, WFP, UNHCR, ANND..
- Suggestion for future cooperation: ICLS resolutions and labour modules testing, administrative records, LMIS, global reports, classifications
