

After 100 years of the ILO, what is the future of labour statistics?

Panel Discussion¹

Lisa Grace S. Bersales, Ph.D.²

¹20th International Conference of Labour Statisticians, 18 October 2018, Geneva

²National Statistician and Civil Registrar General, Philippine Statistics Authority

Our Context

Transforming Our World: The 2030 Agenda for Sustainable Development

A plan of action for peace and prosperity for our planet and its people through partnership.

Our Roles

ILO

Promoting Jobs, Protecting People

Tripartite: Governments, Employers,
Workers

Our Roles

Statisticians

In official statistics, in labour statistics,
in other areas (in ministries, in academe, in research
institutes)

Information to make right decisions

Statistics for policies

Statistics for monitoring accomplishments

The Future We Want

peace and prosperity

for our planet and its people

5

How to journey to that future?

Roadmap

People

Legal Frameworks

Data Ecosystems

Partnerships

Communication

6

Roadmap

Clear strategies for statistics

-Cape Town Global Action Plan for Sustainable Development Data

-National Strategy for the Development of Statistics

7

People

Leaders

Technical and Support staff

Champions

The Youth

8

Legal Frameworks

Statistics laws that incorporate UN
Fundamental Principles of Official
Statistics

9

Data Ecosystems

Different sources of information

Different methodologies

10

Partnerships

Globally

Within regions

Within countries

With other communities (policy makers, geospatial community, academia, communication specialists)

Communication

Data Visualization

Open Data

Enhanced Websites

Media

How to journey to that future?

- Roadmap
- People
- Legal Frameworks
- Data Ecosystems
- Partnerships
- Communication

thank you!
