Description of the event

Join us for a special Side Event as we celebrate the centenary of the ICLS. This historical occasion will feature an historian who will take us on a journey through the conference's rich legacy.

In addition, we are honoured to host panellists who attended past conferences, offering unique insights into the evolution the conference.

After the enlightening discussions, join us for refreshments, providing the perfect opportunity to connect, reminisce, and toast to a century of knowledge sharing and collaboration with fellow participants and colleagues. Let's come together to celebrate the past, present, and future of this unique International Conference of Labour Statistician.
