Purpose of the Forum

The Forum will discuss current and emerging issues related to the promotion of decent work in the world of sport, with a focus on working conditions of athletes, with the aim of adopting points of consensus, including recommendations for future action by the International Labour Organization and its Members.

The Issues paper prepared by the Office (GDFWS/2020), which has been issued in English, French and Spanish, will serve as the basis for the Forum's work. Print copies will be available at the ILO in Geneva, and it will be also available on-line via the following link: https://www.ilo.org/sector/activities/sectoral-meetings/WCMS_667607/lang--en/index.htm.

The plenary sittings will be held in the GB Room, where seats are reserved in three separate blocks for Government, Employer and Worker representatives.

The meeting rooms are equipped with a simultaneous interpretation apparatus, by means of which statements can be heard in the original or in an interpretation into one or another of the languages. The apparatus consists of an earphone, two push buttons for regulating volume and two push buttons for selecting a number corresponding to a particular channel.

When a participant has been authorized by the Chairperson to speak, he/she should press the button on the microphone to ensure that it is switched on. The ear piece should be removed from the vicinity of the microphone during the intervention in order to avoid a disturbance on the audio devices.
