ANNEXES

Annex 1: Pre-training Knowledge Survey

The purpose of the pre-training knowledge survey is to assess the impact of the Think.COOP training on participants. On the following pages, you will be asked to provide your personal information and to respond to a number of questions related to your participation in the training. Please keep in mind that your individual responses will be kept completely confidential. There are no right or wrong answers, and answers do not indicate anything good or bad about yourself. Please answer each item as honestly and frankly as possible.

For more information about the questionnaire and its use, please contact:
