

► Data from questionnaires

Data on the responses collected through the survey “*Reporting back to the Governing Body on the work undertaken under the framework of the Youth Employment Action Plan 2020-2030*”

Period covered 2020 -2023

Interdepartmental Action Group on Youth Employment (IDAG)

Hosted and coordinated by the Employment, Labour Markets and Youth Branch
(EMPLAB/EMPLOYMENT)

October 2023

58 questionnaires were received from IDAG members and their networks. The responses of questions 5 – 7 yielded more than 1,400 entries and provided a general view of the ongoing work of the ILO on youth employment. Other Questions included examples of ongoing projects, good examples of youth employment initiatives, target groups, resources, etc. (see [questionnaire](#)).

Data on the responses collected through the survey: Reporting back to the Governing Body on the work undertaken under the framework of the Youth Employment Action Plan 2020-2030
