

FOURTH MEETING OF THE SRM TWG

(17-21 SEPTEMBER 2018)

PROCEDURAL AND OTHER MATTERS

Information document 6: Logistical arrangements for the next meeting

- Information document 6 concerns *the arrangements for the next meeting of the SRM TWG*.
- The decision that is taken will determine the date of the 2019 meeting and other logistical matters including whether or not the presence of advisors will be authorized.

10 August 2018

Possible timing of the 2019 meeting of the SRM TWG

1. At its first meeting, the SRM TWG took the preliminary decision to align its future meetings with the October-November Session of the Governing Body, with the preference for the meeting to be held a number of weeks prior to the Governing Body.
2. The Governing Body will meet from 24 October – 7 November 2019. In that context, it is proposed that the 2019 meeting of the SRM TWG could be held either in the week from 16 – 20 September 2019 or the week from 23 – 27 September 2019.

Other arrangements to determine

3. On the basis of the decision taken as to the set, or sets, of instruments that will be examined, there are further logistical arrangements to make for the next meeting.
 - Will advisors be authorised to attend the meeting? If so, how many advisors will be authorised to attend? (*paragraph 18 of the terms of reference*)
 - Will any representatives of relevant international organizations and other ILO bodies be invited to attend the meeting? (*paragraph 21 of the terms of reference*)
 - Is any specific support requested of the Office to facilitate the SRM TWG's deliberations? (*paragraph 24 of the terms of reference*)

The SRM TWG may wish to decide the date and other logistical arrangements for its 2019 meeting.
