

PROVISIONAL WORKING SCHEDULE

(See *Daily Bulletin* for actual time schedules)

Individual cases: Cases included in the final list will be automatically registered and evenly distributed by the Office, on the basis of a rotating alphabetical system, following the French alphabetical order. This year, the registration will begin with countries with the letter "T".

Cases will be divided in two groups: the first group of countries to be registered following the above alphabetical order will consist of those cases in which a double footnote was inserted by the Committee of Experts and are found in **paragraph 80** of the Committee's report. The second group of countries will consist of all the other cases on the final list and they will be registered by the Office following the above-mentioned alphabetical order. **The case numbers set in the provisional schedule below do not correspond to any particular countries until the final list is adopted.**
