SEVENTEENTH ITEM ON THE AGENDA

## Composition, agenda and programme of standing bodies and meetings

### Part I. Composition and agenda of standing bodies and meetings

#### Invitations to the 109th Session of the International Labour Conference (observers from non-Member States, intergovernmental organizations, and international non-governmental organizations)

##### *Request from the Government of the Kingdom of Bhutan to send an observer delegation*

1. The Government of the Kingdom of Bhutan expressed its wish to send an observer delegation to the 109th Session of the International Labour Conference. The Kingdom of Bhutan is a member State of the United Nations, but not of the International Labour Organization.
2. In light of earlier decisions of the Governing Body to invite the Government of the Kingdom of Bhutan to attend previous sessions of the International Labour Conference, the Governing Body may wish to authorize the Director-General to issue an invitation to the Government to send an observer delegation to the Conference in 2020.

##### *Intergovernmental and international non-governmental organizations*

3. In addition to the intergovernmental organizations for which standing arrangements were approved by the Governing Body, and which provide for their automatic invitation to the International Labour Conference, the Officers of the Governing Body have authorized the

Director-General to invite other intergovernmental organizations listed in the appendix as observers.

4. Under the Constitution of the Organisation and the Standing Orders of the Conference, international non-governmental organizations other than those with which consultative relationships have been established may be invited by the Governing Body to be represented at the Conference insofar as attendance at the plenary sittings is concerned, while the invitation of such organizations to be represented on committees appointed by the Conference remains a matter for the Conference itself.
5. At its 256th Session (May 1993), the Governing Body delegated to its Officers the authority to invite international non-governmental organizations wishing to be represented at sessions of the General Conference, it being understood that requests for invitations presenting a particular problem would continue to be submitted to the Governing Body through its Officers.
6. The Director-General has received requests to be represented at the 109th Session (2020) of the International Labour Conference from the organizations listed in the appendix, which have expressed interest in certain items on the agenda. These organizations have already been invited to one or more sessions of the Conference after their requests to be invited had been approved by the Officers of the Governing Body. In making their requests, these organizations supplied proof of their interest in following the proceedings of the International Labour Conference.

### **Invitation of observers to other official meetings**

7. Invitation of observers to official meetings other than the International Labour Conference are determined according to the following criteria:
  - (i) intergovernmental organizations that the Director-General intends to invite on the basis of a standing arrangement with the ILO. These organizations are presented for information only;
  - (ii) intergovernmental organizations that the Director-General intends to invite, as authorized by the Officers of the Governing Body;
  - (iii) international non-governmental organizations that the Director-General intends to invite, subject to authorization by the Governing Body.
8. The Director-General intends to invite the organizations to be represented as observers at the meetings indicated in the appendix. The Officers of the Governing Body recommend that the Governing Body authorize the Director-General to invite those organizations, and to issue an invitation to the Government of the Kingdom of Bhutan to send an observer delegation to attend the 109th Session of the International Labour Conference.
